

# What You Can Expect From Rogers Construction

- 1. Honesty & Integrity** - Adherence to the highest industry ethics with honesty, integrity, courtesy and respect in all of our interactions and business dealings with you.
- 2. Professionalism & Competency** - Experienced and well-trained personnel who will conduct themselves in a manner that keeps your best interests in mind.
- 3. Quality** - Attention to detail and thorough planning from project inception to completion to insure we are doing the right thing first, the right way, and the first time.
- 4. Safety** - A clean, properly staged and safe workplace for all who work or visit the jobsite using best safety practices to insure an injury-free environment.
- 5. Partnering** – A collaborative partnership between all project stakeholders including the Owner where everyone’s voice on the team is heard, valued and listened to.
- 6. Accountability** – Holding ourselves and others on the team responsible at the highest level for carrying out assignments to insure your goals are achieved.
- 7. Complete Scope of Work** – A full-service firm with capabilities to deliver comprehensive construction services at a fair price and a “hassle-free” construction experience.
- 8. Knowledgeable Personnel** – Access to the industry’s latest trends, best practices and new technologies helping us streamline our processes in order to deliver greater value to you.
- 9. Effective Communication** - Our understanding of the critical need to keep others informed, ask for feedback, listen and follow through to assure project success.
- 10. Vision** – Every project begins with the end in mind and plans are executed to the fullest extent needed to achieve both project and client goals.
- 11. Peace of Mind** – A stress-free environment where projects stay on track, issues and concerns are resolved in a timely manner, and preventative actions are identified.
- 12. Responsiveness** – Staying accessible and anticipating what you need and expect from us so we can proactively address any questions, requests, or concerns.
